APPOINTMENTS, ETC., IN THE DEPARTMENT OF
AGRICULTURE.

LETTER

FROM

THE SECRETARY OF AGRICULTURE,

TRANSMITTING

A STATEMENT OF APPOINTMENTS, PROMOTIONS, OR CHANGES
IN SALARIES PAID FROM LUMP SUMS.

JANUARY 6, 1906.—Referred to the Committee on Expenditures in the Department of
Agriculture and ordered to be printed.

DEPARTMENT OF AGRICULTURE,
OFFICE OF THE SECRETARY,
Washington, D. C., January 6, 1906.

SIR: I have the honor to submit to Congress herewith a statement of all appointments, promotions, or other changes made in the salaries paid from lump funds, appropriated for the Department of Agriculture, giving in each case the title, salary, and amount of such change or changes, together with reasons therefor, as required by the provisions contained in the act making appropriations for the Department of Agriculture for the fiscal year ending June 30, 1906. This statement embraces the period commencing July 1, 1905, and ending with December 31, 1905. In this statement there are reported 1,966 original appointments, some of which are of a very temporary character, ranging from one day to three months each in duration.

In this connection I draw the attention of Congress to the fact that at the beginning of the present fiscal year, July 1, 1905, there were on the rolls of the Department 5,446 persons, and that specific, known as statutory, positions had been created by Congress for 969 persons for the said fiscal year. All the rest, 4,477 persons, were paid from the several lump funds.

The following table will show how these were distributed:
